

Nivedita Dhar, M.D.

Office Address: 18100 Oakwood Blvd.

Suite 300

Dearborn, MI 48124

Office Fax: 313-429-7941

EDUCATION

Graduate: M.D., St. Louis University School of Medicine, St. Louis, MO 1996- 2000
Baccalaureate: B.A. (Molecular Biology and Biochemistry), Wesleyan University,
Middletown, CT 1994-1996
Oberlin College, Oberlin, OH 1992-1994

POSTGRADUATE TRAINING

Fellow (Urologic Oncology), University of Bern, Switzerland 2006-2007
Resident (Urology), Cleveland Clinic, Cleveland, OH 2002-2006
Resident (Urology), State University of New York at Buffalo, NY 2001-2002
Resident (General Surgery), State University of New York at Buffalo, NY 2000-2001

FACULTY APPOINTMENTS

Assistant Professor, Department of Urology, Wayne State University, Detroit, MI 2008- Present
Associate Staff Physician, Glickman Urological Institute, Cleveland Clinic, Cleveland,
OH. 2007-2008

MAJOR PROFESSIONAL SOCIETIES

American Urological Association 2000- Present

LICENSURE AND BOARD CERTIFICATION

State of Michigan License 4301092348 Issued 6/2/2008 Exp. 1/31/2018
State of Ohio License #90181 Issued 7/16/2007 Exp. 4/1/2009

Urology Board Certification #16154- Issued March 2010

HONORS/ AWARDS

European Association of Urology, Best Poster 2009
American Urologic Association Travel Awards, Society of Women in Urology 2006

Travel Scholarship, International Volunteers in Urology	2005
Howard Hughes Fellowship	1995(Summer)
Howard Hughes Fellowship	1994(Summer)

SERVICE

Scholarly Service

Reviewer for The Journal of Urology
Reviewer for Urology
Reviewer for International British Journal of Urology

TEACHING

Operating room instruction, Grand Rounds Conference, Urologic Oncology Conference, Journal Club, Clinic—Wayne State University Residents and Medical Students	2008-Present
Course Director of the James M. Pierce Jr., MD Memorial Lectureship- Wayne State University Department of Urology	2013
Course Director of Michigan Urologic Annual Course	2012

GRANTS

Searching for Novel Autoantigens in Interstitial Cystitis - A Genomic Approach
25QUG

PUBLICATIONS

Original Observations in Referred Journals

1. Primary full-gland prostate cryoablation in older men (> age of 75 years): results from 860 patients tracked with the COLD Registry **Dhar N**, Ward JF, Cher ML, Jones JS. BJU Int. 2011 Aug;108(4):508-12. doi: 10.1111/j.1464-410X.2011.10238.x. Epub 2011 Jul 1.
2. Fergany AF, **Dhar N**, Budd GT, Skacel M, Garcia JA: Primary extrasosseous ewing sarcoma of the kidney with level III inferior vena cava thrombus. Clin Genitourin Cancer. 2009 Oct; 7 (3): E95-7
3. **Bhatta Dhar N**, Studer UE: Lymphadenectomy at the time of radical retropubic prostatectomy. State of the Art. Prost Canc Prostatic Dis, 2008 (accepted for publication).
4. Zehnder P, **Bhatta Dhar N**, Thurairaja R, Ochsner K, Studer UE: Effect of urinary tract infection on reservoir function in patients with ileal bladder substitute. J Urol. 2009 Jun;181(6):2545-9.

5. Jeshke S, Burkhard FC, Thurairaja R, **Bhatta Dhar N**, Studer UE: Extended lymph node dissection for prostate cancer. *Curr Urol* 9(3): 237-242, 2008.

 26. **Bhatta-Dhar N**, Reuther AM, Zippe C, Klein EA: No difference in six-year biochemical failure rates with or without pelvic lymph node dissection during radical prostatectomy in low-risk patients with localized prostate cancer. *Urology* 63(3): 528-531, 2004.

27. **Bhatta Dhar N**, Bhatt A, Jones JS: Determining the success of vasectomy.
Brit J Urol Intl 97(4):773-776, 2006

Abstracts

Magnetic Artificial Sphincter (MARS): A Novel Urinary Sphincter for Stress Urinary Incontinence *Navneet S. Mander, M.D., Mahdi Mohammadi, Ph.D, Mohsen Shahinpoor, Ph.D., Krishna Bhatta, M.D., Nivedita Dhar, M.D. American Urological Association 2016

Books and Chapters

1. Bhatta Dhar N and Studer UE: Ileal Orthotopic Bladder Substitution. In: Hinman's Atlas of Urologic Surgery, the 3rd edition, Resnick, Howards, McGuire, Preminger and Smith (eds). Philadelphia, Elsevier; In press
2. Bhatta Dhar N and Studer UE: Ileal Orthotopic Bladder Substitution. In: Textbook of Reconstructive Urology, Montague, Gill, Ross and Angermeier (eds). London, Informa Healthcare Publishers.
3. Bhatta Dhar N and Studer UE: Managing the Patients with Orthotopic Bladder Substitution. In: Glenn's Urologic Surgery 7e, Graham, Keane (eds). Philadelphia, Lippincott Williams & Wilkins Publishers, In press

PRESENTATIONS

1. Bhatta Dhar N and Jones JS: Factors affecting why men undergo a vasectomy consultation and schedule the procedure but fail to proceed to have the procedure performed. Podium presented at AUA 2009, Chicago
2. Bhatta Dhar N, Cher MC and Jones JS: Primary Full Gland Prostate Cryoablation: Updated Results from 3209 Patients Tracked with the COLD Registry. Podium presented at AUA 2009, Chicago
3. Bhatta Dhar N, Cher MC and Jones JS: Primary Full Gland Prostate Cryoablation in Men > age of 75: Results from 861 Patients Tracked with the COLD Registry. Podium presented at AUA 2009, Chicago
4. Bhatta Dhar N, Cher MC and Jones JS: Focal /Partial Gland Prostate Cryoablation: Results of 795 Patients from Multiple Centers tracked with the COLD Registry. Poster presented at AUA 2009, Chicago

5. Bhatta Dhar N, Cher MC and Jones JS: Salvage Prostate Cryoablation: Updated Results From 445 Patients Tracked with The COLD Registry. Poster presented at AUA 2009, Chicago.
6. Bhatta Dhar N, Thalmann GN, Zehnder P, Reinhard K and Studer UE .Prognosis of Pathological T3a and b Bladder Cancer: No Difference between Primarily Invasive and Initially Superficial but Subsequent Progressive Invasive Disease, poster presented at AUA, 2008, Orlando
7. Studer UE and Bhatta Dhar N: Ileal orthotopic bladder substitution combined with an afferent tubular segment, video presented at AUA, 2008, Orlando
8. Bhatta Dhar N, Moore C, Bhatt A, Hernandez AV, Zippe C, Vasavada S and Rackley R: Long Term Outcomes of Cystectomy with Bladder Substitution in the Treatment of Advanced Interstitial Cystitis / BPS: A Retrospective Cohort Series, poster presented at AUA, 2008, Orlando
9. Bhatta Dhar N, Klein EA, Reuther AM and Studer UE: Extended Pelvic Lymph Node Dissection is Associated with Lower Recurrence Rates in Patients after Radical Cystectomy: A Nonrandomized Inter-Institutional Comparison, podium presented at AUA, 2007, Anaheim
10. Bhatta Dhar N, Lippuner K, Ochsner K, Zehnder P and Studer UE: No Increased Risk of Osteoporosis in Long Term Survivors with an Ileal Orthotopic Bladder Substitute, poster presented at AUA, 2007, Anaheim
11. Bhatta Dhar N, Ochsner K, Burkhard F, Thalmann G and Studer UE: Low Long Term Incidence of Nephrolithiasis in Patients with Ileal Bladder Substitutes, poster presented at AUA, 2007, Anaheim
12. Zehnder P, Bhatta Dhar N, Ochsner K and Studer UE: Relationship of Urinary Tract Infection and Reservoir Function in Patients with Ileal Bladder Substitute, poster presented at AUA, 2007, Anaheim
13. Bhatta Dhar N, Babineau D and Jones JS: Prospective Evaluation of the Impact of Scheduled Follow-up Appointments with Compliance Rates Post –Vasectomy, poster presented at AUA, 2007, Anaheim
14. Bhatta Dhar N, Flechner S, Modlin C, Cook D, Goldfarb D and Lakin M: Changes in Sex Hormone Levels and Erectile Dysfunction in Adult Male Kidney Transplant Recipients Treated with Sirolimus, poster presented at AUA, 2007, Anaheim
15. Vaze A, Jones SJ and Bhatta Dhar N: Prospective Evaluation of the Impact of Scheduled Follow-up Appointments with Compliance Rates Post –Vasectomy, podium presented at North Central Section of AUA, 2006, San Diego

16. Bhatta Dhar N, Flechner S, Derweesh I, Modlin C, Goldfarb D, Cook D and Lakin M: The Effect of Sirolimus on Sex Hormone Levels of Adult Male Renal Transplant Recipients, poster presented at World Transplant Congress, 2006, Boston
17. Bhatta Dhar N, Bhatt A, Rackley RR., Ulchaker JC, Jones JS and Zippe C: Neurovascular Preservation in The Orthotopic Cystectomy: Impact on Female Sexual Function, podium presented at AUA, 2006, Atlanta
18. Figler BD, Bhatta Dhar N, Reuther A., Magi-Galluzzi C, Zhou M. and Klein EA: PSA is still predictive of tumor volume and grade late in the PSA era, poster presented at AUA, 2006, Atlanta
19. Bhatta Dhar N, Angermeier KW and Montague DK: Long-term Mechanical Reliability of AMS 700 CX/CXM Inflatable Penile Prosthesis, poster presented at AUA, 2006, Atlanta
20. Bhatta Dhar N and Jones JS: Significance of Rare Non Motile Sperm, podium presentation at North Central Section of AUA, 2005, Chicago
21. Bhatta Dhar N, Grundfest S and Stroom SB: Jejunum-Ileal Bypass Reversal: Effect on Renal Function, Metabolic Parameters, and Stone Formation, presented as a podium at the AUA, 2005, San Antonio
22. Bhatta Dhar N and Jones JS: Single Azoospermic Semen Analysis at Three Months Post Vasectomy is Adequate to Determine the Patient Azoospermic, presented as a podium at the AUA, 2005, San Antonio.
23. Bhatta Dhar N, Jones JS, Kitay R, Angie M, Horvat M and Bhatt A: First Semen Analysis 12 Weeks Post Vasectomy May Reduce the Number of Subsequent Semen Analyses, poster presentation at the North Central Section of AUA, 2004, Palm Beach
24. Bhatta Dhar N, Thornton J, Karafa MT and Stroom SB: A Multivariate Analysis of Risk Factors Associated with Subcapsular Hematoma Following Electromagnetic Shockwave Lithotripsy, poster presentation at the AUA, 2004, San Francisco
25. Bhatta Dhar N, Jones JS, Kitay R, Angie M, Horvat M and Bhatt A: Scheduled Follow-up Appointment Improves Compliance in Confirming Sterility Following Vasectomy, podium presentation at Ohio Urological meeting, 2004, Columbus
26. Bhatta Dhar N, Thornton J, Karafa MT and Stroom SB: A Multivariate Analysis of Risk Factors Associated with Subcapsular Hematoma Following Electromagnetic Shockwave Lithotripsy, podium presentation at World Congress of Endourology, 2003, Montreal

27. Bhatta Dhar N, Rackley RR and Vasavada S: The Outcomes and Management of the Recurrent Vesicovaginal Fistula, poster presentation at North Central Section meeting of AUA, 2003, Vancouver.
28. Impact of post operative impotence on biochemical free survival following primary full gland prostate cryoablation results from 639 patients tracked with the Cold Registry. Zachary Liss, MD¹; Nivedita Dhar, MD¹; John Ward, MD²; Krishnan Venkatesan, MD¹; Michael Cher, MD¹; J. Stephen Jones, MD³ Wayne State University School of Medicine; ²University of Texas, M.D. Anderson Cancer Center; ³Cleveland Clinic, Glickman Urological Institute
29. 75 Changing practice patterns in the management of high grade non-muscle invasive bladder cancer. Lauren Marquette¹; J. Stephen Jones, MD²; Krishnan Venkatesan¹; Amarnath Rambhatla, MD¹; Nivedita Dhar, MD¹ Wayne State University; ²Cleveland Clinic
30. ACCURACY OF A REFERRING DIAGNOSIS OF RECURRENT/PERSISTENT URINARY TRACT INFECTIONS IN WOMEN > AGE 40 Jawad Khan¹; Kripa Kavasseri, MD¹; Stephen Jones, MD²; Nivedita Dhar, MD¹ Wayne State University School of Medicine; ²Cleveland Clinic Presented By: Jawad Khan
